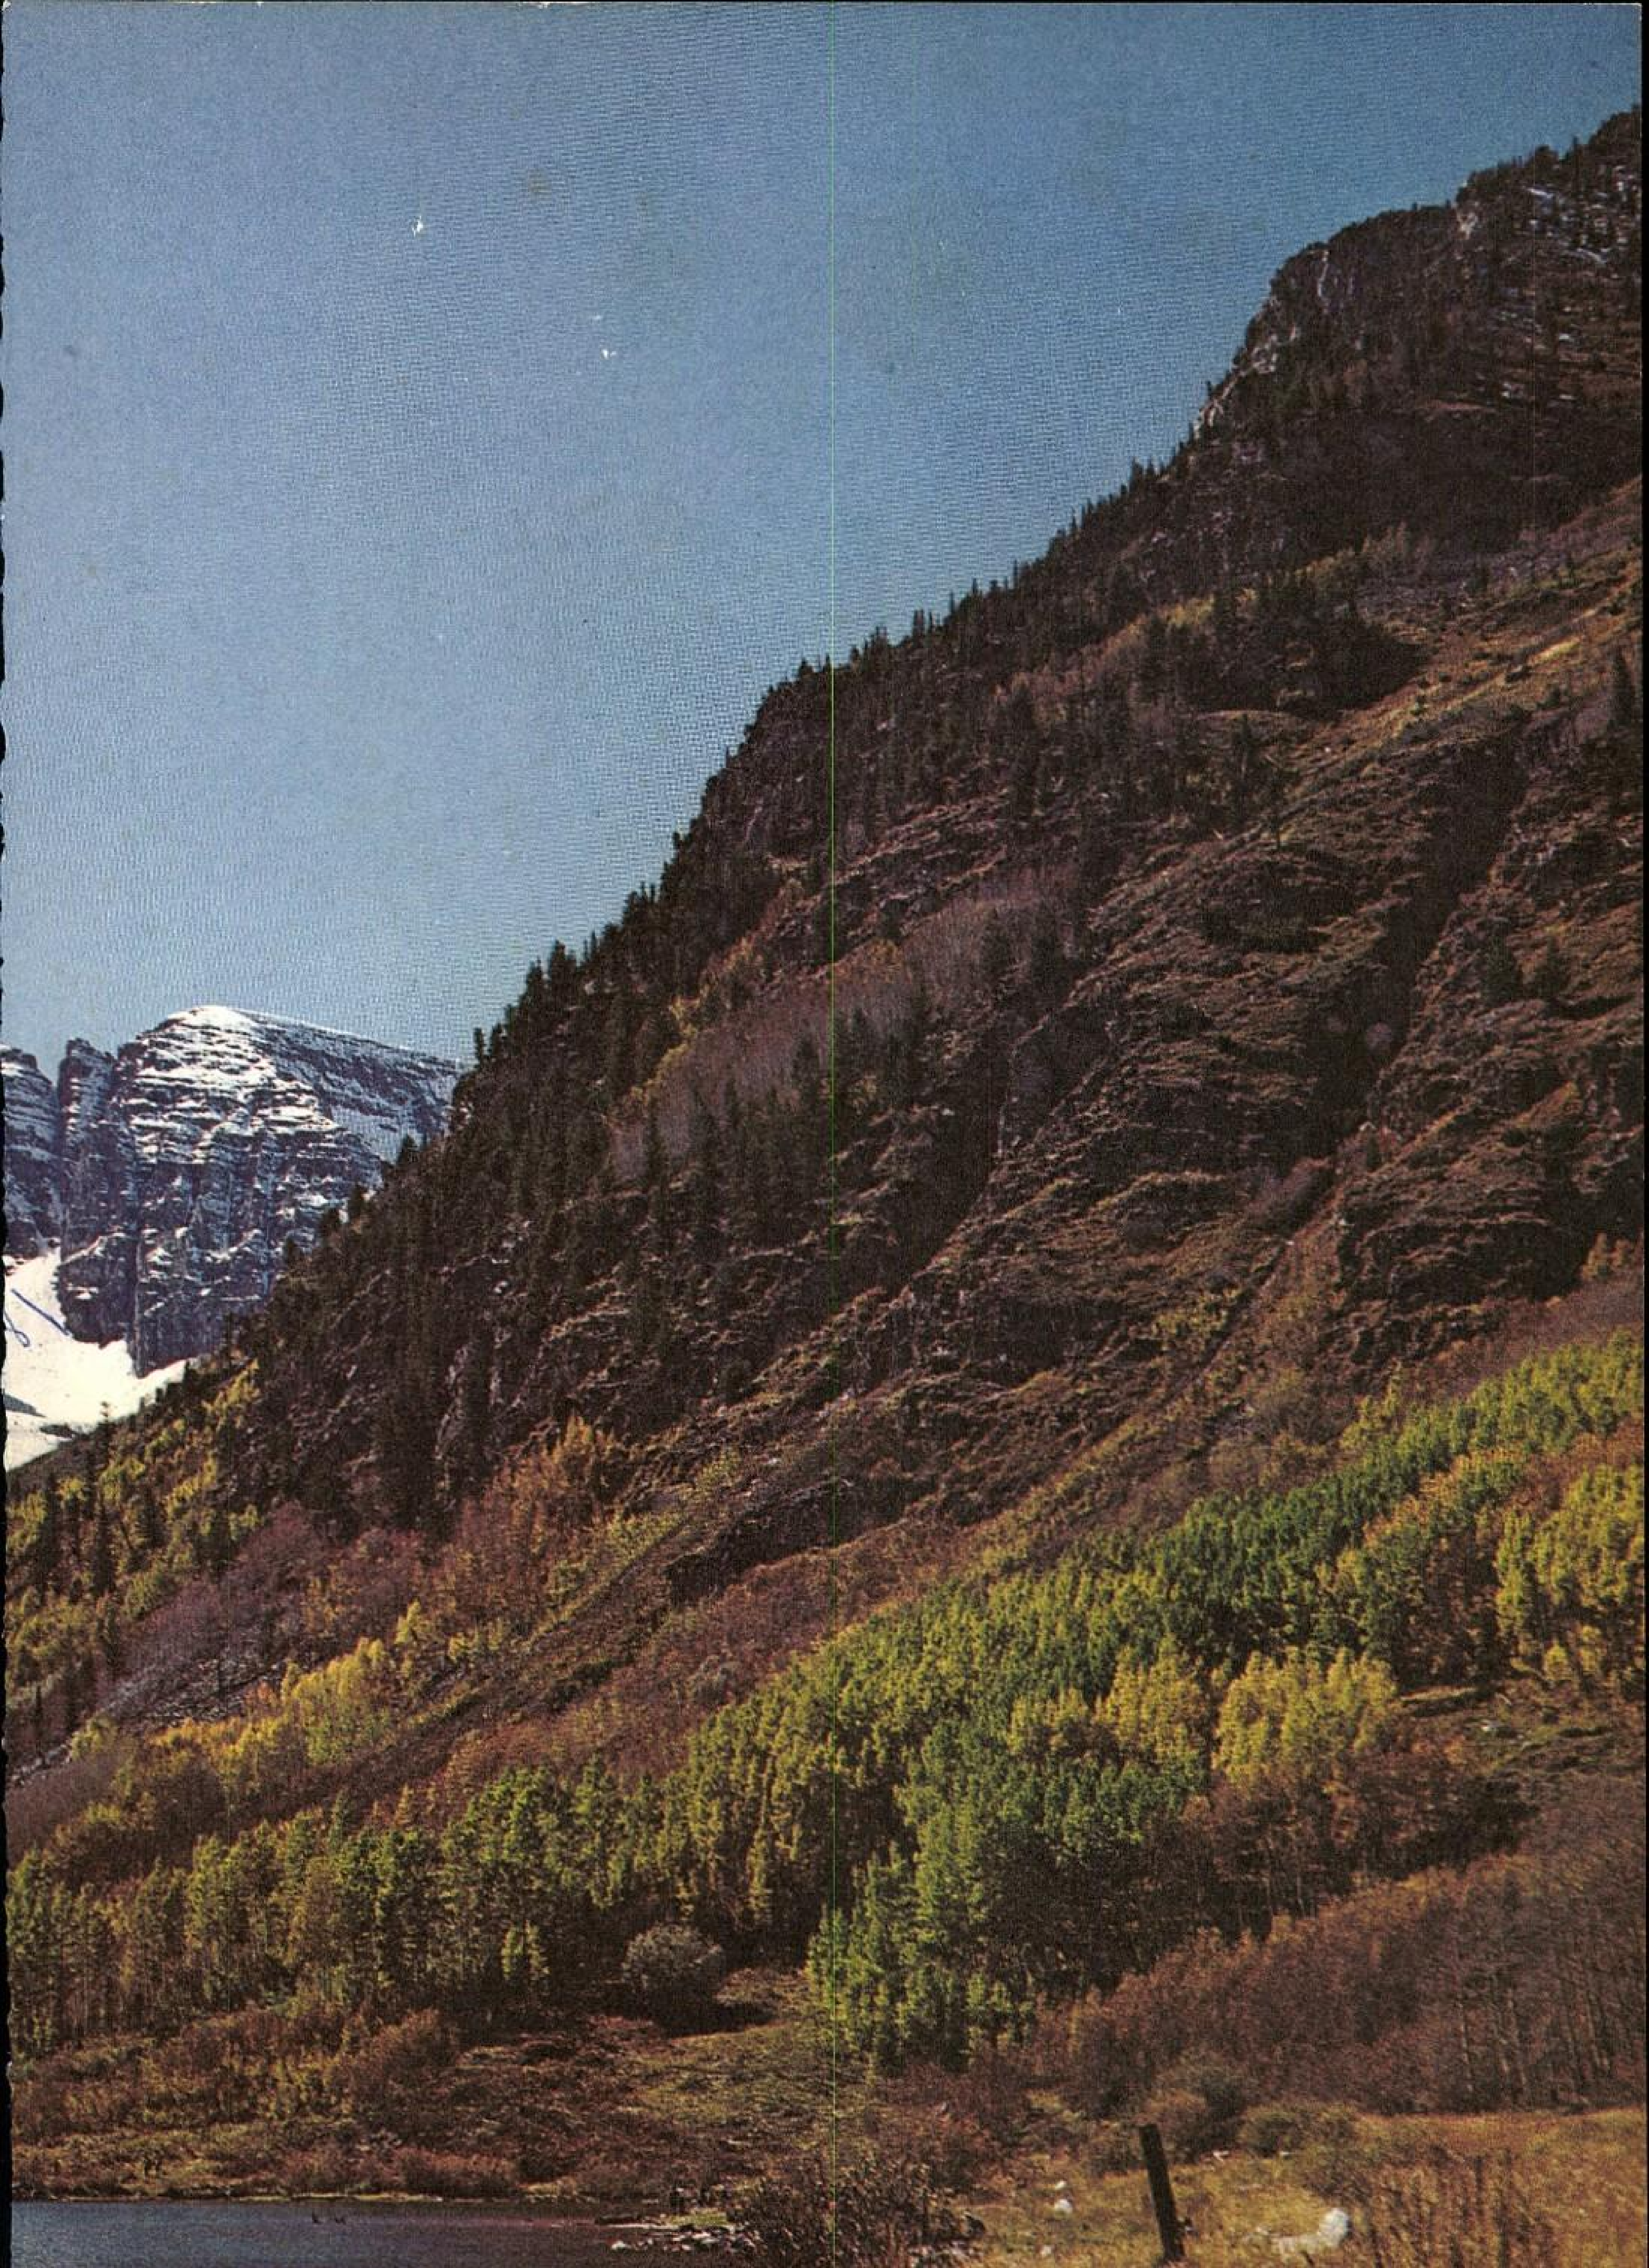
LA-DEL



The 1974 Seniors

Proudly Present
The 1974 LA-DEL
From Delmar High School
Route 4
Paris, Texas

Dedication

The Senior Class would like to dedicate the 1974 La-Del to Mrs. Maudie McKinney in recognition of her services as both a teacher and friend to so many of us during her forty-five years in school work. ''Miss Maudie's'' teaching in the first and second grades has given many of us the foundation that is necessary for academic success and for other life endeavors.

''Miss Maudie'' began teaching in Biardstown and never changed schools, only going with the students through the process of consolidation to Midway and finally to Delmar.

Continuous teaching in primary classes may have seemed routine at times, but with each new group there were standards to set and goals to achieve. However, knowing the boys and girls at this level gave her an excellent opportunity to see the fruits of her labors as each pupil went on through and out into life.

For all these years of dedication, we salute you with the 1974 La-Del.

FACULTY

Superintendent's Message

May I take this space in the 1974 La-Del to express my appreciation to the Senior Class and the staff of this annual. Your diligence and conscientiousness under the guidance of Mrs. Dolores Jackson has made this book one that you and your schoolmates will cherish through the difficult and challenging adult life ahead. It will serve to remind you that you were once as you are now and in so doing will keep you ever young in spirit which is so necessary in living a successful life. May the good luck that hard work brings always be with you.
